Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Sunday 23 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright morning, rain spreading northeast this afternoon.

Today:
Sunny spells and occasional showers this morning. However increasing cloud brings outbreaks of rain to Lochaber and the southern Outer Hebrides early this afternoon. The rain continues to edge northeast, although the far north remaining dry. Freshening southeasterly winds. Maximum temperature 14 deg C (57 deg F).

Tonight:
Dry with late brightness across the far north but generally a cloudy night with outbreaks of rain, heaviest and most persistent in the south and then eastern hills later. Breezy. Minimum temperature 5 deg C (41 deg F).

Monday:
Cloudy with outbreaks of rain, persistent and occasionally heavy across the north and east. Brighter conditions with a few showers edge into the west through the afternoon. Strengthening northeasterly winds. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Sunny spells and showers through Tuesday and Wednesday, best of the sun in the west, with northerly winds easing. Mainly dry Thursday with sunny spells and light winds.
